Joan O'Connor's Acrylic Workshop

6th & 7th July and 20th & 21st July

Each 2 Day Workshop \$90 per person = \$180 total

METALLIC FLOW - ABSTRACT FREEDOM

Enjoy the flow and fluidity of Metallic (or iridescent) Acrylic paints, while working in the freedom of Abstract. Learn to control your brush; enjoy versatile techniques in brushwork, also the use of a limited palette of complementary colours while capturing the effects of deep darks and brilliant lights. These metallic colours feel buttery, apply and blend effortlessly, last a long time, as they flow, are deep and concentrated.

Please feel free to call me regarding your choice of colours.

REEVES ACRYLIC FINE ARTIST QUALITY - Copper, Gold, Bronze \$6.90 75ml tube

DALER ROWNEY - Pale Gold Hue. I also used Burnt Sienna, Raw Umber.

DECO ART "Dazzling Metallics" Crystal Green and Ice Blue \$7 per colour, available from Warehouse Stationery and are used in the second example (next page).

CHROMA - pack 5 tubes for \$31.50 of different iridescent Metallic colours. Paints can be purchased from Red Studio with 20% off for students. You may prefer to use blues, reds, greens and not the colours I've used. That's fine.

Please bring all your paints, brushes, cloths, two canvases (these can be recycled ones) any canvas you have approximately 20x16 inches.

No need for pencils, rulers or any such restrictive gadgets, freedom is the key word in this workshop. Let's get loose, creative and have fun.

I could possibly be doing a quick demonstration before you begin, but not sure as yet.

If you are looking forward to giving it a go, see you soon!!!
